

Industrial Ethernet Switches

Series LETU, CETU, ETU, CPGU,
EGU, PGU, PTU
5/8/16 ports
10/100/1000Tx Fast Ethernet
Suitable for DIN or wall mounting

Industrial Ethernet Switches with and without PoE+

Technical specifications for CETU, ETU, CPGU, EGU, PGU, PTU:

- Unmanaged Industrial Ethernet Switches
- Rugged metal case design
- Suitable for DIN-rail or wall mounting
- Detachable terminal block
- Operating temperature range -10...+65 °C
- Extended temperature range version „T“ -40...+75 °C
- Redundant power input 12...55 VDC
- RJ45 interface, LED indicators
- PoE+ (Power over Ethernet Plus) an extension of the original PoE standard up to 30W per port
- Fan-less design
- 5-year warranty
- IP30 protection class

Technical specifications for LETU:

- Unmanaged Industrial Ethernet Switch
- Compact polycarbonate enclosure
- Suitable for DIN-rail or wall mounting
- Detachable terminal block
- Operating temperature range 0...+60 °C
- Redundant power input 12...48 VDC
- **QoS - priority for PROFINET packets**
- RJ45 interface, LED indicators
- Fan-less design
- 3-year warranty
- IP30 protection class
